

# WHILE WE'RE IMPROVING OVER 3,000 SCHOOLS ACROSS NSW, BE AWARE. TAKE CARE.

Right now, you might notice some changes at your local school. To build a better future for our children, the Commonwealth and State governments are investing more than \$6 billion into NSW government and non-government schools. Around 15,000 workers are undertaking building and construction works on more than 3,000 schools across the State. So look out for changed conditions. Help us keep our schools safe.
